BACKGROUND / DISCUSSION:

Discussion of the what, why, where, when, and how to enable Council to have reasonably complete description of the contemplated action. This should include attachment of bid tabulation, or ordinance or resolution if appropriate. What are the benefits to the City of this action? What are the citizen concerns?

On May 11, 2005, the El Paso Water Utilities Public Service Board (PSB), passed a Resolution on each of the above-listed items (six total) requesting the City of El Paso grant the electric easements as requested.

PRIOR COUNCIL ACTION:

Has the Council previously considered this item or a closely related one?

These are routine electric easement requests received from El Paso Electric Company to provide electric service to certain properties.

AMOUNT AND SOURCE OF FUNDING:

How will this item be funded? Has the item been budgeted? If so, identify funding source by account numbers and description of account. Does it require a budget transfer?

Work Order No. 04-7-1-03012

For ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the CITY OF EL PASO, hereinafter called Grantor, grants unto El Paso Electric Company, hereinafter called Grantee, its successors and assigns, whose address is P.O. Box 982, El Paso, Texas 79960, the non-exclusive right, privilege, authority and easement to enter upon and erect, construct, operate, remove, inspect, access, and maintain and install a line of poles at any time with all necessary wires, crossarms, conduits, fixtures, and other necessary equipment for an overhead electric distribution system, with the right of access, ingress, and egress thereto for the installation, construction, operation, inspection, repair, maintenance, replacement, renewal or removal thereof, for the distribution of electricity for which same is or may hereafter be used, over, upon and along the following described premises and the adjoining roads, streets and highways, in the county named above, to-wit:

A portion of Tract 2A, Section 39, Block 80, TSP2, El Paso, El Paso County, Texas as shown on the attached print and made a part thereof

with the right to trim any trees and flora and around said electrical equipment so as to keep the electrical equipment cleared, and to do anything reasonably proper and necessary to operate and maintain same.

This easement shall be for the term of the El Paso Electric Company's franchise and any extension and renewal thereof by the City of El Paso. In accepting this easement, the Grantee agrees that upon request it will relocate any of its facilities located within the easement at no cost to the City of El Paso, or its Public Service Board, successors or assigns.

In accepting this grant, Grantee agrees that it will replace landscaping and paving as disturbed by the construction, maintenance or repairs of and to its facilities in and upon such easement.

Grantor reserves the right to full use and enjoyment of said property, except for the purposes herein granted.

Should Grantee abandon the facilities and right-of-way, then the interest in land herein above described shall revert to Grantor, its successors and assigns. Such abandonment shall be conclusively presumed following non-use by Grantee for one year and with use not being resumed within sixty (60) days following receipt of notice of abandonment from Grantor to Grantee, and on such abandonment, Grantee will then execute any and all necessary documents to evidence such abandonment.
